## SAMPLE TESTIMONY for Same-Sex Divorce without Children

Your Honor, my name is \_\_\_\_\_.  
(State your full name)

I filed this suit for divorce from my spouse \_\_\_\_\_.  
(State your spouse’s full name)

At the time I filed for divorce, I had lived in Texas for at least the last six (6) months, and in \_\_\_\_\_ County for at least ninety (90) days.

I am asking for a divorce because our marriage has become unworkable and there is no reasonable expectation that we will get back together.

My spouse and I do not have any children together who are under 18 or still in high school.

*If a Wife is testifying in a same-sex divorce read the testimony below –*

1) Neither my spouse nor I are currently expecting a child. (See note below on pregnancy.)

*Then read the testimony below that is true for you.*

- 1) I did not give birth to any children during this marriage who are now under 18 or still in high school. **OR**
- 2) I gave birth to \_\_\_ child/ren during this marriage who are now under 18 or still in high school. My spouse is not the legal parent of that child / those children.

*Then read the testimony below that is true for your spouse.*

- 1) My spouse did not give birth to any children during this marriage who are now under 18 or still in high school. **OR**
- 2) My spouse gave birth to \_\_\_ child/ren during this marriage who are now under 18 or still in high school. I am not the legal parent of that child / those children.

I ask that our property and debts be divided as set out in the Decree of Divorce I have presented to the Court. I believe this division is fair to both me and my spouse.

**Note:** If this is a default, you must also tell the judge the value of the property awarded to you and your spouse and the reasons your proposed division of that property is fair.

*If either spouse is asking for a name change –*

I am (or my spouse is) requesting a name change to a name that was used before we were married: \_\_\_\_\_.  
(State the name used before marriage)

I respectfully ask the court to grant my divorce.

**Note:** Talk to a lawyer **before** going to court if either spouse is pregnant or gave birth during the marriage. If either spouse is pregnant, you may not be able to finish your divorce until the child is born. If either spouse gave birth during the marriage you may not be able to finish the divorce until parentage of the child is established by court order.
