## Motion to Appear Remotely in Court Proceeding

I am filing this Motion to Appear Remotely in a Court Proceeding. The information the Court needs about my request is below.

### 1. Authority

Under Texas Rule of Civil Procedure 21d, this court may allow or require a participant involved in a court proceeding, which means an appearance before the court, such as a hearing or trial, to participate remotely, such as by teleconference, videoconference, or other available electronic means, subject to the limitations set forth in Rule 21d(b)(2).

**4.  Request for Remote Participation in Proceedings.** (Check if applicable)

I ask the Court to allow remote appearance in the following hearing or trial because:

(Write why you are asking the court to allow remote participation) \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

I ask that the Court allow anyone involved in any hearing, deposition, or other proceeding of any kind in this case—including but not limited to a party, attorney, witness, or court reporter, but not including a juror—to participate remotely, such as by teleconferencing, videoconferencing, or other means.

For each proceeding, the Court should specify:

- 1) Which means of remote participation are permitted;
- 2) Who is responsible for setting up the means for each person to participate remotely;
- 3) How the public can access the proceedings, if the proceedings are required to be open to the public;
- 4) If the parties must provide the Court with an electronic copy of all orders, pleadings, returns of citations, and other documents filed with the district clerk that are relevant to the hearing or conference, the address to which the parties must e-mail those documents, either as attachments to the e-mail or accessible through an e-mailed link to a cloud storage service, and the deadline for e-mailing the documents;
- 5) The address to which each party must e-mail the party's exhibits to the Court before a hearing or conference, either as attachments to the e-mail or accessible through an e-mailed link to a cloud storage service specified by the Court, the format(s) the Court requires the exhibits to be in (for example, PDF), the manner in which the subject line of the e-mail is to be presented, the deadline for e-mailing the exhibits, and whether the party must copy on this e-mail all other parties who have filed pleadings or otherwise made an appearance in the suit;
- 6) The other documents (for example, financial information statement, pay statements, tax returns with redacted Social Security numbers) the Court requires each party to e-mail to the Court before the hearing or conference, either as attachments to the e-mail or accessible through an e-mailed link to a cloud storage service specified by the Court, the format(s) the Court requires the documents to be in, the deadline for e-mailing the documents, and whether the party must copy on this e-mail all other parties who have filed pleadings or otherwise made an appearance in the suit;
- 7) If a party wants the Court to consider certain statutory or case law, the format(s) the Court requires the documents to be in, the deadline for e-mailing the documents, and

whether the party must copy on this e-mail all other parties who have filed pleadings or otherwise made an appearance in the suit; and

- 8) The consequences to a party if the party fails to comply with subsections (4), (5), (6), and (7).

**5.  Request to Appear Away from Court’s Usual Location**

I ask that the Court, after reasonable notice and access to the participants and the public, conduct proceedings away from the court’s usual location.

**6.  Telephonic or Videoconference Interviews With Children (Check if applicable)**

Instead of the Court’s interviewing the children who are the subject of this suit in chambers as provided in Texas Family Code 153.009, I ask that the Court interview the children by remote means. I ask that the Court specify which remote means, including, if applicable, the remote means by which the other persons who section 153.009 permits or requires to be present during the interview will participate, and specifying who is responsible for setting up the means for each such person to participate remotely.

**7.  Request to Consider Sworn Statements and Unsworn Declarations As Evidence (Check if applicable)**

I also ask that the Court consider as evidence sworn statements and unsworn declarations made out of court. Unless waived by each party, the Court should require each out-of-court sworn statement and unsworn declaration to be served on each party not less than 5 days before the hearing in which it is to be considered as evidence. Unless waived by each party, the Court should require an out-of-court sworn statement or unsworn declaration offered as rebuttal evidence to be served on each party not less than three days before the hearing in which it is to be considered as rebuttal evidence.

**Prayer**

I ask that the Court grant this Motion and that the Court make all other and further orders that are deemed necessary and equitable for proceedings in this suit and for the safety and welfare of the children.
