

Effective 9/1/2018, all Income Withholding Orders (IWOs) will be required to be issued on the updated federally approved version of the form pursuant to OCSE AT-17-09. The IWO form and instructions were updated for clarity and consistency and can be viewed [here](#)

Examples of changes you will see are:

- New font
- Additional page making the form a total of four pages
- Additional field for the employee/obligor's date of birth
- "FIPS Code" is now labeled "Locator Code"
- Emphasis to fields that are optional and not required
- Statement on encryption requirements
- A new [link](#) to the Office of Child Support Enforcement(OCSE) Child Support Portal for employers to report lump sum payments, terminations, and to update information about their company
